# Update on the European and Developing Countries Partnerships for Clinical Trial on Poverty Related and Neglected Infectious Diseases

## EDCTP

### XXII REUNIÓN DE LAS CCAA CON LA SG DE PROGRAMAS INTERNACIONALES DE INVESTIGACIÓN Y RELACIONES INSTITUCIONALES DEL ISCIII

# EDCTP

## Art.185 TFUE

EDCTP is a **funding initiative** established in 2003 by a co-decision of the European Parliament and Council allowing **EU's participation in research programmes undertaken by several European and Associated Member States**

XX

## The EDCTP2 programme

### **Mission**

Improved health by funding collaborative research to enhance research capacity and accelerate the development of new or improved medical interventions **against poverty-related**

# Area of interest of EDCTP programme according to innovation cycle

## PRODUCT DEVELOPMENT PIPELINE

Discovery  
Proof of  
Concept

Preclinical  
research

Clinical research

Implementation  
research

H2020 collaborative translational research projects

**EDCTP2 programme**

SME-Instrument

IMI2 programme

InnoFin ID – Infectious Diseases Financing Facility (IDFF)

---

## EDCTP2 Target diseases

- **HIV, Tuberculosis, Malaria**
- **Neglected Infectious Diseases**
- **Diarrheal diseases**
- **Lower respiratory tract infections**
- **Emerging and re-emerging infectious diseases**

---

## Participants members states

### **14 European Countries**

Austria, Denmark, Finland, France, Germany, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, **Spain**, Sweden and United Kingdom

### **1 Aspirant Member**

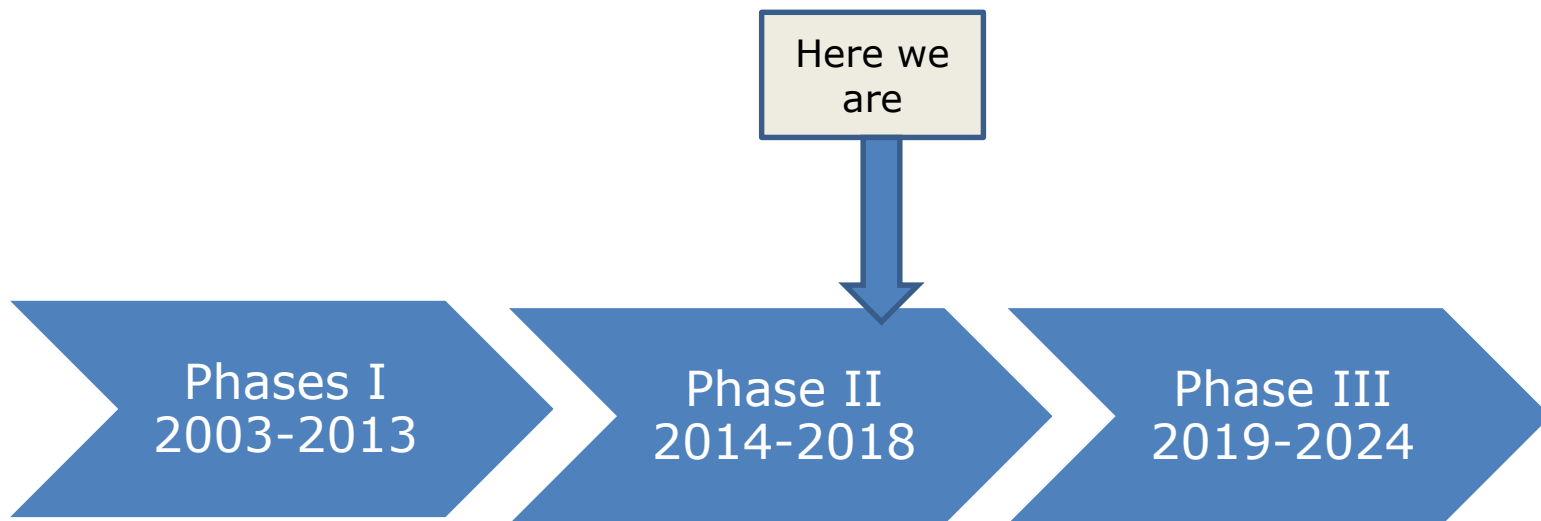

Switzerland

### **14 African Countries**

Burkina Faso, Cameroon, Rep of Congo, Gabon, Ghana, Mali, Mozambique, Niger, Senegal, South Africa, Tanzania, The Gambia, Uganda, Zambia

## EDCTP Phases

## Proximas convocatorias EDCTP 2018

Strategy line	Topic	Open
Supporting clinical trials and related activities	1º Diagnostic tools for poverty-related diseases	Julio
	2º Advances in product development for effective prevention, treatment and management of co-infections and co-morbidities	Julio
	3º Strategic action for overcoming drug resistance in malaria	Julio
	4º Vaccines for diarrheal diseases or lower respiratory tract infections	Julio
	5º Strategic action for the comparison, selection and development of malaria vaccine candidates	Julio
Fostering capacity development for clinical trials and related research in Sub-Saharan countries	1º Capacity development to facilitate delivery and uptake of new or improved medical interventions in African health systems	Julio
	2º Ethics and regulatory capacities	Agosto
Training and Mobility Actions	Clinical Research and Product Development Fellowships	Octubre
	Career Development Fellowships	Octubre
	Senior Fellowships	Noviembre

## Proyectos actualmente en fase de inicio o en marcha financiados por EDCTP con participación grupos de investigación españoles

Acronym	Institution	Description
<b>MTBVAC-Newborns</b>	Bioafri ( coordinator) Uni. Zaragoza	II a phase TB vaccine candidate
<b>MAMAH</b>	Is Global (coordinator)	II b/III phase CT preventive malaria in HIV + pregnant women
<b>Afri-Ka-DIA</b>	DNDI (coordinator) CNM (ISCIII)	III phase CT to evaluate new treatment for V. Lesmaniashis
<b>IGOCARDIA</b>	ISGlobal	Capacity building to conduct CT
<b>TESA II</b>	ISGlobal	Trials of Excellence in Southern Africa II
<b>STOP (Stopping Transmission of intestinal Parasites)</b>	ISGlobal (coordinador) Uni. León Insud Farma	III Phase CT to evaluate efficacy of a fixed-dose combination of Ivermectina and Albendazol against Soil Transmitted Helminthous
